

NDIS Information Sessions

annecto is holding free information sessions to help people with disability – and their families and carers – learn more about the National Disability Insurance Scheme (NDIS). Our expert staff will offer advice and information to help you get the best from the NDIS.

You will learn about:

- What is the NDIS and what does it cover?
- Who can receive funding?
- How is the funding managed?
- How to get ready for NDIS and how to apply?
- When is NDIS available?
- Will the Disability Support Pension be affected?
