

Australian mattress specialist **BedGuard** takes the hassle out of a wet bed with an innovative waterproof mattress range that keeps little (and big) sleepyheads comfortable, clean and dry all night long.

Designed to stop liquids, stains and odours from ruining your mattress the unique **BedGuard protection layer** is guaranteed to keep nasties at bay, in case of accidents just use some paper towel to remove the spill and your mattress is fresh, clean and dry again. No more sleeping on crunchy, sticky, plastic mattress protectors, no more scrubbing, no soda-treatment, no yucky yellow stains and no sneaky odours hanging around, what a fantastic time (and irritation) saver for busy parents!
