

Equal Opportunity Policy and Anti-Discrimination Policy

The Department encourages school councils to follow the Department's [Equal Opportunity Policy and Anti-Discrimination Policy](#) for all school council employees, contractors and volunteers to ensure the same expectations of all people working in the same environment. It is recommended that a motion be passed by the school council to formalise this. Some recommended words for this action, to be recorded in the school council minutes, are:

"That School Council approves the adoption of the Department's Equal Opportunity and Anti-Discrimination Policy for all school council employees, volunteers and contractors engaged by the school council.

Review cycle and evaluation

This policy was last updated in June 2022 and is scheduled for review in June 2023

The Department encourages school councils to follow the Department's [Equal Opportunity and Anti-Discrimination Policy](#) for all school council employees, contractors and volunteers to ensure the same expectations of all people working in the same environment. It is recommended that a motion be passed by the school council to formalise this.

That School Council approves the adoption of the Department's Equal Opportunity and Anti-Discrimination Policy for all school council employees, volunteers and contractors engaged by the school council.
