

Dear Parents and Carers,

We hope your child's journey at Monash SDS will be an encouraging and supportive one. As you and your families settle into new routines this year, we wanted to make you aware of the two social groups on offer to Monash SDS parents.

- 1) **MYTIME**- MyTime currently meets fortnightly on Tuesday mornings at Monash SDS. This is a great opportunity to meet other school families over a cup of tea to chat about topics important to you. Meeting dates will be advertised on Compass. (See attached flyer).
- 2) **MONASH SDS PARENT GROUP**- The Monash SDS Parent Group holds monthly meetings between parents and staff who work in partnership to facilitate school social events, information sharing and fundraising. The group has some enthusiastic parents dedicating their time to make a difference in our school community and they welcome new members to join. Meeting dates will be advertised on Compass.

If you have any questions about these groups, feel free to contact Yvonne Tonner, Social Worker on 9239 7400.
